Mary, My heartfelt thoughts and prayers go to you and your family. I worked for the engineers office at the highway department at the same time Tim worked. I ended up working closely with Tim several years before retirement. He was the best person you could ever ask to work for. Honest and professional. God bless.

Dear Mary and Family, My thoughts, prayers and sympathy go out to you and your entire family. We knew Tim to be dedicated to his family as well as to his position within Licking County. It was a pleasure to serve on a number of county and local committees with him and his expertise and interest was evident in his deliberations and accomplishments. His respect was not only well earned, but well deserved! We are saddened not to be able to attend calling hours due to the marriage of our granddaughter on the same day, but our heartfelt sympathy is with all of you!
