Kathy and family the news of Andy's passing just takes my breath away. We had so many experiences through the years from the kids at the ball games to the auctions. And let's not forget the weddings also. Andy was good to Ron and I and we always appreciated your family's kind and lending hand. Andy was that guy that always made you feel good and always knew how to make you laugh. The guy that would have done anything for you all you had to do is ask and he never asked for anything in return. A true kind soul he was. I'm so honored to say that he was our friend. May God wrap his arms around you and your family at this difficult time. And may he be at peace for eternity.

Kathy, I really want to thank you and Andy for always being so kind to myself, Jackson, Landon, and Ian. Some of our fondest memories was at the Auction House. Andy would always make us feel like family. He was always willing to take bids for us and giving the kids pop and cookies. I also can say working with Andy at Tri-Valley High School was an experience. I definitely will miss his humor and one liners. Andy was very caring and definitely cared about his family. Thank you for many fond memories at Andy's Auction.
