Mom I am truly happy you are in peace even though I will have an empty whole with in me. I enjoyed though good times we spent even those challenging ones, because you made me a stronger person. As the angels takes you and delivers you into Gods' hands I know you are at peace know more prodding and poking/I will love you always and always and wish the family peace and happiness to be able to move forward from here. Peace be with you your loving baby boy. Robert (Dale)
