My heart breaks as I write this. Donna was like a sister to me, and we shared many good times. Staying at the Legion to help her close the bar and help her clean up, and then she would drop me off at Jake's. We would laugh about how I met my husband. I will always remember her laugh and beautiful smile. Your Momma and my Momma are welcoming you with open arms. Fly high my beautiful angel until we meet again. Love you always Sis!!
