Paul A. Vensil

DEC 30, 1947 - JUL 22, 2022

Paul A. Vensil, 74, of Frazeytsburg, Ohio died Friday afternoon, July 22, 2022 at Grant Hospital in Columbus, Ohio as the result of an auto accident sustained earlier in the day.

Born December 30, 1947 in Zanesville, Ohio he was a son of the late Austin M. and M. Esther (Vroom) Vensil and was a 1965 graduate of Frazeytsburg High School. Paul proudly served our country in the United States Army, serving in Germany during the Vietnam war. He was a life-long farmer and he retired from Rockwell International in Heath, Ohio after 34 years of service. Paul was a member of St. Mary's Catholic Church at the Mattingly Settlement and was a former member and past president of the Muskingum County National Farmers Organization.

To say that Paul was an active member of the community is an understatement. For over 30 years he has served as Jackson Township Trustee where part of his duties were caring for the Frazeytsburg Cemetery. In addition to Frazeytsburg Cemetery, he was also the sexton at Muskingum Presbyterian Cemetery and Mattingly Settlement Cemetery. Nearly every morning he could be found at one of the local "breakfast clubs", recently most often McDonald's in Dresden. He loved flying and had his private pilot license and his own airplane. Paul loved to mow grass around the farm and he was very proud of his sweet corn patch. (Watch out raccoon!)

For well over 10 years Paul has been transporting members of the local Amish community. No matter whether it involved taking a family to Pennsylvania for a wedding or taking a trailer full of horses to a job or to an auction, he was always there to assist. He considered his many Amish friends as family.

Paul loved our community. He always had a smile, he had a tremendous sense of humor, he was always willing to share one of his special hugs, and he was always willing to do a good deed for anyone. He will be greatly missed.

Obituary

Paul A. Vensil

DEC 30, 1947 - JUL 22, 2022

Pam,I am very sorry to be reading this. My mind goes back to that Brotherly friendship we had in Germany . We talked of getting together one day to talk over our old days together in the Army. Life took us so many different ways though. I treasure those memories we had in service of our country together. The brotherhood you gain there cannot be forgotten. See you on the other side Brother.

I knew Paul for many years. I always knew him to be a kind and jovial man. After reading his obituary I harken back to a statement that was written when FDR and Paul Harvey passed and I believe it is fitting again. " A Mighty Tree Has Fallen". May we all aspire to follow in his footsteps!

I would like to offer my condolences to Paul's family and many friends. I worked with him at the old Rockwell factory. He was a great guy to work with. He and I were both pilots at that time. One time when I landed at my farm grass airstrip he landed right after I did. I am sure he has his real wings now.
