My deepest sympathy to the family. Bobby was a special friend and classmate to so many in the Class of '79. He never expected any favors or special treatments. He had the best personality and desire to be a part of any and all sports. We all thought the world of Bobby and considered him our brother. He embraced life with dignity and always made me smile. My last memory will be seeing Bobby come through with the Sons of American Legion at our last Dresden Memorial Day Parade. God bless your family and may your days ahead be filled with peace that God will bring.

To Keith and Family, sorry to read of your loss. Your family are in our prayers. The community lost a good man in Bobby Davis. His great personality, zest for life, and he was a big brother who thought the world of his younger brother. RIP Bobby, not to much, because God is going to put you to work, just as soon as you get your angel wings given to you. Lintz
