Oh Tammy and Diana and family- my heart just breaks for all of you! Phillip really was one of a kind, and I'm so glad you chose a picture with him smiling because that's how I think of him. He lived his family so very much- it was always kind of funny to think how that rotten little prankster I knew in school turned into the most loving family man! You all will be in my prayers, and I do hope that you can feel God's comfort in your grief. I am 100% sure they were laughing together within minutes of Him welcoming Phil.
