Jeff, Catey and Samantha, I was saddened to learn of your mother's passing. She always had a smile on her face and was such an appreciative parent when I had both you and Stacy in my classroom. She found strength to live on through the love of family and friends after the tragic loss of your sister Stacy. May they be rejoicing together and watching over you and your family. God give you the peace and strength needed for the days ahead.

Tina was truly a wonderful lady on the inside and out. Tina and I worked together at Longabergers and we developed a great friendship that continued up to her passing . Tina loved her family more than life itself. My dear friend you are now home with your sweet Andy and beautiful Daughter. Sending many prayers to her family during this difficult time. Not a goodbye my friend but see you again one day. Love you and RIP!

To Tina's Family,I worked with Tina 16 years in the shipping department at Longaberger. She was a stand up friend through thick and thin, and our family department had plenty of it. So very sorry for her loss. Will miss the exchanges she and I shared in Christmas card messages. Prayers to you all and rest and enjoy your reunion with Andy and your daughter Tina Weena!! We will miss your bright spirit and sense of humor.
