Ginny was a sweet lady that I knew for a short time at Sharon Brooke. Her and my mother Lorene would watch The Wheel and Jeopardy together often. She was always quick with a joke. She will certainly be missed. Please let us know when you have the Celebration of Life service for her. Prayers for you comfort :(

To Ginny's family, We wish to send our sympathy to each of you and wish comfort in her passing. We remember sharing in fellowship with her for many years. She was a good friend to my parents, especially in their last years. We are comforted to know she lived life with this day in mind. Would be nice to see each of you again, but for now, know that we are thinking of you all. Harry and Nancy
