Lynn and family, So sorry to hear about Dave, loved working with him all those years and can't think of another person I'd rather golf with. He was tagged as Mr. Magoo from his infamous line "where did it go or did anyone see my ball". His demeanor was unmatched, always a positive attitude, never belittled anyone, a true gentleman with a sense of humor. Rest in peace Mr. Magoo.

Lynn, Amy, Jody and Kelly, I am so sorry to hear of Dave's passing. I pray that God will surround you with His love, comfort and perfect peace. When I read Dave's obituary so many wonderful memories flooded my mind of the days when we fellowshiped and worshiped together at Christian Fellowship. Dave was such an encourager to me when I was going through some very difficult times and began attending church with you all. Later as we served on the Church Board together I learned how dedicated Dave was to the work of the church. I will always remember Dave as a man that not only loved God but reflected that love in his walk. Don looked to Dave and Pastor Jerry as examples of "Christ like" men. My heart goes out to you Lynn as you grieve for your loving husband. "One Day At A Time".
