I worked with Mike at Boeing. He was such a sweet man. He did so much community volunteering. The children at Head Start loved when he read to them and nursing home residents always felt special when he delivered miniature Christmas trees. He was truly a good guy.

Marilyn, Kathleen, Danny and all the families, Phil and I are so sorry to hear of Mike's passing. I will always remember the fun times we had a children when my family visited Aunt Florence and all us kids would wander around the neighborhood. Remember the many family reunions we all attended when we were young. I will always remember when Mike became an Eagle Scout. Your Aunt Margaret and I were so proud. I thought the world and all of Mike and I shall miss him; even though we rarely saw each other. Please accept our deepest sympathy. May God give you all comfort during this difficult time.
