I met Aggie July 2013 when I move across the street from her. We immediately became friends. We shared so many likes. The love of animals, all things Christmas, so many things. We talked nearly every day from Spring to Fall. Her flowers were always beautiful. She was so proud of her family. I will miss her so very much. She was a true friend. It will not be the same for me, for our neighborhood without my buddy, Aggie.

Aggie and I were friends when we worked together at the bank in Millersport many many years ago. We had lost track of each other, but I will always remember the good times we enjoyed then. So sorry for your loss.

Agnes and I went all the way through school together grades 1st thru 12th. Hebron & Lakewood. All that time and I never knew that well. Even at our 50th class reunion I didn't recognize her. I'm so sorry about that. I do know she hung around with good people and was a good person herself. My condolences to her family.
