Dear Roger and family, so sorry for your loss. Judy was a dear friend and I was so blessed to reconnect with her at LVCC and looked forward to seeing her on Sundays. We worked together years ago at Longaberger. She was such a joy to be around and we shared so many laughs together, often til we had tears running down our faces. She was a beautiful soul and had that mischievous grin. She will certainly be missed, but comforting to know that she is no longer in pain and that we will see each other again one day. With heartfelt sympathy, Jan Johnson
