Jim and I met at Annarinos Karate School many years ago. We would eat at Friches (old location). I sat with Jim for promotion and George for protection. Jim was a great promoter. He was responsible for one of the best car shows The Hebron Historical Society and Museum ever had. He always called me "The Reverend Mr. Black". He was the originator of The Lite the Nite Cruise In. What a tremendous success that is. I think the event should be named after him so he will be remembered. Our condolences to his family.

Please accept my condolences. I'm one of the car show followers, for years. All the work that Jim did to have those shows did not go un-noticed. It was a big job! I don't know if these "big " shoes can be filled. He will be greatly missed by all who knew him. I cannot be there today because of an operation I had yesterday. M y wife forbid me to go out, but I am there in spirit. Jim always called me " Ken, turn the music down, Wilson"
