Words can't describe the impact you had during your time here. We made it through marriages, divorces, bad relationships, And much much more. You were my rock. My go to. Always there. As my maid of honor, you said "well sweets, this is it. If it don't go the way you want it to, you always have me" And that was the truth. I wish you left me with a plan on what to do without you because I'm lost. I love you Babe. My heart goes out to Dakota, Hunter, Emily, Mason and the rest of her loved ones.

Sweet Jess. From graduating high school with you to Imh I was so glad to work with you in the cardiology department. You were always laughing or giggling about something. I loved it when you sang.
