To the Reed family, sorry to read of your loss. Your family are in our prayers. What a class man, I always enjoyed talking to him at the fair, at a game, at the court when I would bring my team over to Adamsville to play basketball against Shirer Brothers in the summer, or at Tom's Ice Cream Bowl. Mr. Reed was very proud of his family, and the community lost a very wise man. God Bless, Randy Lincicome.

What a very special man Dean was. We were blessed that he "found" us. Dean was related to our daddy's family and through some research connected with us a few years ago. What a gift to our family he was! We made a trip to Zanesville a couple of years ago and Dean gave us the grand tour! We visited our grandparents old farm and the final resting places of many relatives. He shared his wonderful family with us so graciously. We were so happy to have Dean and Bob visit us in Texas also! He gave us a gift of beautiful memories of our dad and our grandparents. He was a great example of what living your life to the fullest means! Rest well, Dean♥♥Your Gadd Family
