Aunt Tina, you will be greatly missed by so many. You have always been there for me during challenging times. I'm will miss those days going to flea markets and yard sales looking for a deal. The days that I would come down to your house for small talk and watch TV. It was so comforting being there and spending time with you. These are memories I will always carry with me. How I wish we could have had one more adventure. Until we meet again in Heaven. I love you Aunt Tina.
