Rob was a great man, his laughter could fill a room. What was better than a Rob Cross story was when my mom (Penny) would tell us the story. I know she was happy that my dad had such a great best friend for my dad to hang at all the games. Robin I am so sorry of your loss I do know whenever I would see him he would talk about you and your daughter. He was such a proud father and grandpa. Prayers for peace through this difficult time. I knew if I ever would go to a ballgame he would be there couching from the sidelines.
