Shane and Bri and families. I am sorry for your loss. Terry was a wonderful man. Always had time to chat. He was a proud dad and grandfather. He was a loving husband to your mom. The few times Terry picked his grandsons up at the center he always came to the office to say hi. My heart hurts for you. Terry has left you all so many memories to cherish. Just imagine how happy your parents are to be together again.

Our thoughts and Prayers go out to his family. What a great guy he was and a wonderful musician. Very talented, played the drums and guitar. Gary and I cared very much for Terry and Janet and their children. Always smiling like he loved this old world. Can't say enough kind words about this man. Loved his great words of wisdom, always taking time to talk. Last time we saw him was at the ball field he was bragging about family and his grandson. He will be missed. God speed your heart to stop hurting and remember he is with all of you in some way. Love Gary and Oveta

I went to school with Terry from Ben Franklin on. I remember all of us going to the skating rink (we thought we were so cool!). Ran into him again at Mound City, where Terry coached my youngest son in baseball. He was great with the kids! Then ran into him again when he brought an overseas container in to where I worked. Found out he just lived a couple of roads over and he, Janet and I got to be good friends. We'd talk about everything, laugh and brag about the "Grands". Terry was a very talented musician and evidently passed it along to Shane. Unfortunately, both Terry and Janet were gone too soon. R.I.P. and fly high my friends!
