We lived in Dresden from 1971 to 1981 and our sons (Brett and Eric) were the same age as Jeff and his brother Jack and were classmates, youth football teammates and close friends. They were at our house frequently and used to ride to their football games with us and away Tri-Valley games as well. We have such great memories of them being good-natured fun-loving kids who were a delight to share time with. Jeff's (and Jack's) premature death is a real tragedy for his family. We take this time to extend our sincere condolences to the family and to let them know that for us they will always remain fond memories. Ken and Nora Melton Spring Hill, Florida
