Sorry to hear of the passing of Kenny. I played ball with his brother Ray many years ago. If I am not wrong Kenny broke his leg playing football at Frazzysburg and I walk with him on my way home. They lived just a few houses down from where I lived. Remembered Ray as my mother and father took them on their senior trip to Washington DC and New York City. Our thoughts and prayers go out to the family in this difficult time. May GOD comfort the family in this time of sorrow. Ralph & Linda Howard

There is little anyone can say to ease the pain of losing a husband, father, grandfather, uncle, friend and mentor. We were fortunate to meet Ken, though we did not enjoy a longterm friendship/relationship as we only interacted with him a few times over the years. We are all indebted to Ken for his service to this amazing country. We have been friends with Sarita and Mark for around 25 years. It is due to the foundation Ken laid with his family that we have been fortunate enough to enjoy such a friendship. Our thoughts and prayers go out to the entire family during this difficult time. We can all take comfort in the knowledge that Ken's life left an imprint, directly or indirectly, on each and everyone of us and it is through this that Ken will live on as we carry these imprints in our lives and pass them on to others.

Dear Lois and family, We were so sorry to hear of Ken's death! As well as knowing Ken and you from the "burg", I started working in insurance at McKee's in the early 80's! You both were very good to me and my children, which meant a lot being a single mom at the time! I will forever have good memories of my time there, thank you! You are all in our prayers and thoughts at this difficult time! Sincerely, Carolyn (Frazier) and Bill Green
