My name is William Shaffer. Today is March 21st 2026. I just found out 10 minutes ago that my mom had died on December 28th 2020. My heart is truly broken 😞. It had been many many years since I'd seen or talked to my mother or anybody else in my family. I want to send out my heartfelt prayers to all of our family members. And to you Mom my prayer is that God has received you into his loving arms and that you are singing with the angels in heaven right now.. I love you and I miss you with all my heart mom. Goodbye...
