I still can't believe Kenny is gone. I worked with Kenny as a teenager at Ballas Egg Plant. I tried to locate him through the years, but had no luck. He was a good kid! I remember riding around Zanesville in his VW bug with no heater. We had fun! RIP my friend!

Even though I have not seen Kenny since we were teenagers working at the same place, I will always remember him as a fun, gentle guy. We rode around Zanesville in an old VW Bug with no heat scratching the ice from the inside windows to see. He was a good friend and I tried to locate him a few times. RIP Kenny!
