Dave, Josh (Paige), Kristen, and Corey, I am truly sorry for your loss. No one will ever take her place in your hearts. She loved you all very much! I know because I sat beside her in the Lab at Constar daily and chatted as we worked, about how she much loved you all. I grew to love her as a friend and confidant. I have been missing and will continue to miss her as will all her co-workers here at Constar. Take Care and may God be with you today, tomorrow and always! Brenda Davis from Constar
