Sandy and I were inseparable all through our 12 years of school. We did everything together. If I wasn't at her house she was at mine. Our favorite thing to do was go to dances. We lost touch after we got married and I moved away. You have my sincerest condolences. I wanted to visit her but she just kept putting me off. May she Rest In Peace. I have a lot of great memories of us back in the day. She was a great friend. May God comfort her loved ones
