It was great growing up next door to Bob, Jean, and I cannot forget to mention Snowball. I loved her smile, laugh, and positive energy. When I would come home from college she would check-in and see how things were going. I can hear her laughing now. My thoughts and prayers are with her family. How blessed we were to know her.

Jean and Bob were two very special neighbors. She loved her family, pets and flowers. And would joyfully update me on all three every time wed chat. She is such an inspiration. I and my children (Angie, Kelly and Kris) will deeply miss her. Im sure Ralph has already greeted her on the other side. God be with you.

I worked with Jean at Kmart for many years. She was a joy to work with, I even enjoyed dancing many times with her and Bob. She loved talking about her girls and grandchildren. I saw her last summer and she was happy. My condolences to her family. May your memories over this years help you through your grief.
