Dear Kyle, Corby and Kelly, I was so sorry to hear of your Mother's passing. I remember when your mom was a room mother and aide. She helped me and the other teachers so much especially in the early years of my teaching. I thought of her as more than an aide. I counted her as one of my friends. I also remember when she was one of the "Just Say No " leaders. She worked tirelessly for the students and the school. She was always kind hearted and concerned about the kids. You have my sympathy and prayers Nancy Smith
