Missing my very best friend from school days. She was always fun to be with. I remember all of you as children, but it has been many years since I have seen you all. I used to bring my four to Newark for visits. You were all very small then. I have wonderful memories of your Mother and of all of you children. So sorry she is gone. I did manage to get over to see her a month or so ago. I knew then this was coming. She would probably have talked about me as Jeanne Needles. One of the things we had fun with was the fact that we had the same first name and it was spelled just alike.

To Jeanne's family sorry for your loss. I know it's been a long time since I've seen her and Tim. But I remember many visits to her home, as the families insurance agent. Jeanne always made me feel welcome and we had lots of laughs! You all are in our heartfelt prayers. Sincerely with condolences, Don & Kathy Ivers

Jeanne worked in a men's group home for the developmentally disabled for many years. My brother, Mike Schoop, lived in that home. He loved Jeanne and I know she felt the same way about him. I am so sorry for the loss to Kay and her family.
