Jay and Camila, So sorry to hear of your mother passing away. I got to know your mom and dad as feed customers many, many years ago and greatly admired and respected them. They were a great team on the farm and in life together. I visited them many times at their home off the farm after they retired from dairying and would go out of my way to visit them whenever I was in the West Bedford/Cooperdale area. Always looked forward to seeing them. Doug Davis, Worthington, Oh. Former Mgr, Gerber & Sons.

So sorry for your loss. I worked with Betty at Longaberger. She was one of the sweetest person. She helped me thru some of my worst days. It was like she always knew what to say to make me feel better.I lost touch with Betty when we got laid off, but I think of her often. She will always remain in my heart. I really loved her.
