My deepest sympathy to Todds family. I am filling out my absentee ballot and saddened by the reminder that Todds life was taken way too soon. I knew Todd from school but most recently enjoyed our visits while reporting to the Court House for Jury Duty. Todd not only did his job of Clerk of Courts with great pride, he had a special way of treating all with respect. Was pleased to read how devoted Todd was in his faith. He is now home.

I want to offer my sincere condolences to Bob & Joan, Greg, and the entire Bickle family. Im sorry but I do not think that I have ever met Todds wife. The Bickle family is an example of my memories of Frazeyburg. Growing up there provided all of us Burg kids security and a sense of community. Bob and Joan were such an integral part of how our parents cared about every kid in town. I am thankful of how and where I grew up. I am so sorry to hear of Todds passing. I share John Sharps sentiments; a parent should never have to bury their child. My deepest condolences to the entire family. May God lift you up and carry you through these sorrowful days ahead.
