Pauline was a beautiful young lady inside and out. We met at OTP. She had an awesome sense of humor. She Would have a smile for everyone. She didn't have an easy life. But she made it better and I know her dogs gave her that unconditional love, as she did them. I'm sorry I didn't get to visit her. I know her faith gave her strength and hope to keep trying. Bless her. I am a better person for knowing Pauline. My prayers to her family and loved ones.
