For 25 years Uncle Roger always treated me the exact same every time I saw him and I will always appreciate that....not many like him! He always had a big smile and a funny joke, or a funny picture to share. I could always depend on him to buddy up with me at family gatherings, our talks ended in laughter no matter what we were talking about. I will miss his frequent visits on the golf cart as well. He loved his wife, daughter and two granddaughters with all of his heart. We will miss him tremendously!!!
