Steve was my supervisor on the Licking County Metropolitan Enforcement Group or MEG Unit from 1982 to 1984. He was so great to work for. I learned so much about law enforcement from him- lessons I have passed on over the years to my police academy cadets at Columbus State (as recently as this year) and to younger officers I have mentored on the street. I will always treasure those all to short two years that I worked really not so much for him but with him.
