RIP Mr. Dreier - you were the janitor when I was at Jefferson Elementary in the 1980s. I remember the time I was feeling ill in the morning (1st grade) and my mom didnt believe I was ill and made me go to school. As soon as I got off the bus, I threw up purple grape juice down the hall to the classroom and it was all over my shoe too. I couldnt help it and felt sorry you had to clean it up but you just joked about it and were friendly when you were there with my teacher and mom who came to pick me up.
