Jeff was a big part of my life while I was growing up as a child. He was strict and believed in discipline, but also accountability. He was a great father figure and a fun person that loved antiques and his old truck. We named the truck Old Green. One of my favorite memories was then he would take my sister and I in the truck out to the strip mines. He would drive out in a muddy spot and start doing donuts. Screaming, laughing and mud flying everywhere! So much fun! Though I haven't seen Jeff in several years all the memories still remain strong. I will always miss him. My thoughts and prayers I offer to the family and friends. God bless.

Jeff was my first cousin. Our mother's were sisters. I have so many fond memories of Jeff but I will always remember his kindness and genuine thoughtful manner. When my husband Jim passed 4 years ago he called me and spoke so sweet of his fondness for Jim. That meant so very much to me. May he Rest In Peace!
