Jim & Julie, I am so sorry for your loss. I remember all the camping trips and cookouts at your house. Jim always had a smile on his face and beer in his hand. Such fun memories. I can hear your mom saying to him, "It's about time, now let's move it!" And to you and Julie, along with your families, your mom would be saying, "There will be no boo hooing." Sending many prayers and even more hugs.
