To John and the Bradley family, so sad to hear of Dianes passing away. We were classmates in grade school at Nashport Elementary. So many fond memories of bicycling the hills between our houses in the country and doing 4-H projects together. She was a very special person.

John & Bradley Family: Was shocked to hear of the passing of Diane. What a beautiful person to be around. Always thinking of others. Always liked to send her a Christmas Card with a music disc inside so she could listen to it at Christmas time. My wife and myself are truly saddened by this news. May GOD comfort John and the rest of the Bradley family in this difficult time. Our thoughts and prayers are with the family in this time of sorrow. Ralph & Susan Howard
