He was the best grandpa you could ever ask for he has taught me alot about life and showed me so much about hunting and fishing. If it wasn't for him I wouldn't be the man I am today the things he has taught me I will always carry that with me for the rest or my life. He just wasn't my grandpa he also was my best friend someone you could always talk too. I love you grandpa and I'll miss you but just know you was the best grandpa ever. Thank you for being my grandpa and showing me things that I will always carry with me. And you will always be in my heart I love you.
