We got to know these wonderful folks sitting in front of them at the football games. Dona would always make sure we had something to snack on. We could see her failing when we visited them at Sharon Brooke, but she always had a smile. These are the kind of people that leave a mark on lives.

Marlene and I lost a very good Sister in Law also. Played lots of cards with them and enjoyed visiting them when they went to Florida. Donna, you will be missed but always loved. Marlene and Bill
