Dear White family. I am so sorry to have read of the death of Naomi. Please accept my sincere condolences. I would like to share something that I have personally found to be comforting. It is found in the Bible at John 5:28, 29 and Revelation 21:4. May God give you and your family comfort in His promise that soon we will never experience losing our loved ones in death and we will be able to see them again once they are resurrected. With deepest sympathy and warmth of heart.

To my family in Newark and Texas. I am so sorry we could not come to the service because of flu and other illnesses but want you all to know our love and prayers were with you. Aunt "Ann" was a woman I admired and loved. Some of my fondest memories are time spent with them. She was a true believer and is in Gods care. My 88 year old mother, Marguerite (White) Foust sends her sympathy. May you all find peace during this very difficult time. We love all of you.
