I spent a lot of time at the Brown house in high school. Keith certainly loved baseball and funny movies (Caddyshack). He kept a tight leash on the remote control which he referred to as the "remote control space command module" - that made me laugh every time he said it! He took Mindy & I to my first Ohio State Football game which was big stuff for a Frazeysburg girl! He always had his 1978 Anniversary Edition Corvette shined up and ready for Mindy & I to cruise Maple Ave. Above all he loved his children Mike & Mitch and his beloved "Minski". He will be missed. My sympathy & prayers to the entire Brown family!
