Bobbi and family. I am so sorry for your loss. What little I got to know of her, I can say with confidence she was one of a kind. She was an example for all of us, gave us a goal to achieve. Know she isn't in pain is a comfort. Knowing right now words don't erase any pain, know my heart and prayers are with you. RIP sweet lady. Angels around all of you.

My dearest Aunt Carol, you will forever be known as a leader. The epitome of a woman of strength, honesty and an ornery Curtis. My greatest memories are of my summers on the farm. You taught me so many things when others would not. You always made me feel like one of your own daughters. I never thanked you enough for everything. I'm glad your no longer in any pain. I love and miss you dearly. Rest in peace.
