Aunt Carol you will be missed. Midnight runs to Green Gables for strawberry pie. Going to concerts with me. Teaching me how to flirt. You were more like an older sister than an aunt. Our hearts are at peace knowing you are in heaven and no longer in any pain. Uncle Terry thanks for loving her as much as you have. You were her rock. Love you.

Aunt Carol was a wonderful woman. In the mid 80s, she and Aunt Nan took care of Becky when I came back to Maine to take care of personal business. They achieved something I couldnt in 2 years of trying, they potty trained her to stay dry overnight. They were both amazing women. miss and love them both.
