When you reflect on Owen's life, what comes to my mind is "Mr. Tri-Valley". Owen's work ethic and dedication to his job and family is like no other. He was a man that could out work people half his age, including me. I really appreciate his friendship over the last few years and for taking me a ride in his cherished Mustang just a few months ago. His exact words , "I don't take my car out in the rain for just anybody." I really felt privileged that night. Thank you for helping me and showing me the ropes. You will be missed and thought of everyday while walking the halls at Nashport Elementary.
