As the days and weeks pass, and as you return to life's routine, may you continue to feel comforted by the love and support of family and friends. I will always remember the visits from Uncle Wayne & Aunt Emily and their little girls, who were so shy. I was a little older, but always wanted to have someone to play with as a child. I also remember visiting with my mom, Mildred and dad Tom, along with my brother Steve. Your dad grilled steak and corn on the cob! It was so good!

I am terribly sorry to hear of your loss. Mrs. Levering was my seventh grade English teacher at Central Jr. High Newark, Ohio. I was privileged to have Mrs. Levering not only as my teacher but she became a very good friend. She was very strict but she was fair and would take time to teach you individually if you were sincerely interested in learning. Mrs. Levering helped me through many rough times and was always there when I needed a friend to confide in. May God bless you & bring the comfort, strength and grace needed as you journey this new path life has taken. My deepest regards & prayers,
