Cousin Terry, I know you are at peace. As I have been reflecting on you in my younger days, the one thing that comes to me is laughter. You always knew how to make us laugh and that is a special gift. A few years back you started the 1st cousins reunion and I know we are all thankful for that, and will continue it. Now you are having a reunion with all those we have missed. Think of us kindly in the days that follow and give us a little reminder of you at the reunion here on earth. We will be thinking of you . Peace be your journey. Love Nancy

My condolences to the family. When loosing a loved one it can be unbearable. That is why God has provided scriptures in the Bible to help ones cope with the loss. In the Bible book of Isaiah 25:8 Jehovah God promises soon to "swallow up death forever." He also promises to bring back those who have fallen asleep in death (Acts 24:15). In a little while longer this kind of pain will be a thing of the past (Revelations 21:4). May these scriptures bring you comfort in this difficult time
