I know that all words can run together at times like this, so I'll keep it short. Braydon was a beautiful soul with the fight of someone way beyond his age. He was loved by people who had never met him, me included. Thank you for allowing us to be a part of your lives, and sharing your sweet boy with us. May God bless you with His peace, and wrap you in His arms.

Your at peace now Braydon. I never met you, but have followed your story for a while now. Look after your Mum and Dad, show them you are okay and free where you are. Rest in peace. Brandon and Krystal, I'm so sorry for your loss, Braydon was a true inspiration as are you both. I'd be they're in person if it were possible but sadly it is not. I hope you can find comfort in knowing that Braydons strength inspires people all over the world myself included. May you find find peace and happiness in the years to come until it's time to be reunited.
