I remember Jeff as a gentle giant. In school he was a big kid, but he was not a bully. He had a kind heart. He did not harass the other kids in school who were smaller than he. Of course, outside of the classroom and on the football field it was another story. I played on the same team as Jeff in elementary and jr. high. He was a great offensive lineman. The times I lined up against him I had no chance! Jeff was a good guy, and the world is a slightly better place because he was in it. Prayers go out to all who loved him.
