Sandy and family..... we are so very sorry for your great loss! I, Debi, am at a loss for words (and Bruce would not chime in with...."Never has that happened.") Steve and I loved getting together with you both. When we would get home for a visit. I remember Bruce as a brother more than a cousin. We spen so many summers together as kids. I will never forget an April Fools joke we played on Aunt Sue..... Neal and I presented that Bruce cut himself while making lunch (he acted the injured party quite well, it was just ketchup) oh man was Aunt Sue mad at all 3 of us! She punished the boys and my punishment was I couldn't play with them the rest of the day! There are to many stories to tell! But each one carries a special place in my heart. You are so loved Sandy. Thank you for all the care you gave him during these past few years . So glad I got to kiss Bruce's head in August! He is already greatly missed!

Neal we wanted to send out condolences to you and your family. I only knew Bruce for a few years but we always had something in common to talk about at Golf league. Gary told me yesterday that Bruce was a great man and I would agree. Sincerely, The Emmeneggers
