Randy, Stacey, Lindsay & Flowers Family (Ruth, Linda, Larry, Terry & Randy), i was so saddened to get the call Sunday morning that Betty had passed away. I didn't even know she had had surgery. I'm still in a state of shock. It's just so hard to believe she's gone. My heart aches for all of you. It's times like this I miss living in Ohio. Even though I can't be there in person, I will be there in spirit. You are all in my prayers and will continue to be. Only God can get you through a time like this. I could cover a page of all the crazy times Betty and I had together. She will be missed! Love you all, Connie
